GENERAL MEETING POLICIES & PROCEDURES

December 2021

Bellagio Convention Services Department is honored that you have chosen us to host your event. Your Convention Services Manager (CSM) becomes the main contact for all details involving function arrangements, reservations and billing procedures, as well as providing recommendations for outside services if necessary.

These Policies and Procedures are being provided to help ensure that all guests of Bellagio Hotel & Casino receive excellence in service. Please review them carefully.

This P&P may not cover all situations a group may encounter. Should you have specific needs or questions that fall outside of this list, please speak to your CSM to clarify any costs or specific requirements. For more detailed information regarding these policies/procedures, please see the Meeting Planners Guide.

ACCESS AND RIGHT TO ENTER: Representatives of Bellagio may enter upon and have access to the Function Space at any time. Additionally, officers and authorized employees of governmental agencies may enter the Function Space at reasonable times, when necessary, in the performance of their official duties.

ADDITIONAL LABOR CHARGES: Additional labor charges may be incurred if a group requests changes to the room setup after the room has been set. Bellagio Hotel & Casino will do their best to accommodate the room setup changes; however, it will be based on business levels and availability of our convention staff. At the time the change is requested, your CSM will advise whether the room setup change can be accommodated, the approximate time it will take to complete the changes and if additional labor charges will apply.

AMERICANS WITH DISABILITIES ACT: Hotel shall, with respect to its performance required under your contracted agreement, to the best of its knowledge, comply with all laws including the Americans with Disabilities Act and the Hearing Capacity Act of January 26, 1992 and the regulations and guidelines. Group warrants to Hotel that the Client, its agents, contractors and employees, and their functions within the function space and hotel complex, in connection with your contracted agreement, will be in compliance with the requirements of the above referenced laws, except to the extent that the setup or operation is controlled by the Hotel. Meeting Group agrees to provide proper ramp access to all elevated exhibit booths and/or non-permanent staging used for either exhibit or special event purposes. The ramp will meet ADA guidelines with regard to both seeing and mobility impaired persons.

We will work with you to meet the ADA requirements specific to your function. Segway scooters (at walking speed only) are permitted in public areas of the hotel only when the operator represents that the equipment is a mobility assistance device for a disability condition. Other operators without reported disability should be advised that the equipment is not accepted for use in Bellagio public areas, including but not limited to the tradeshow halls at the Bellagio Convention Center. Use of a Segway may be excluded in areas that are relatively high foot traffic venues. This includes the Casino, theaters, Event Center, restaurants and the Convention Center. In such cases of exclusion, a guest will be offered the use of a balanced wheeled mobility device such as a wheelchair or motorized scooter.

ANIMALS: Permission for any domesticated animal (cats and dogs) to appear in a convention or trade show must first be approved by you and then by the CSM. Additional insurance may be required. Non-domesticated/exotic animals will be considered on an individual basis. Consult your CSM regarding any non-domesticated/exotic animal requests. Seeing eye/assistance animals are always permitted.

AUDIOVISUAL: Encore our preferred audio-visual provider located on property to help service audio-visual and production needs. Encore is the exclusive provider of all rigging and power equipment and services. BAGGAGE HANDLING

Individual Arrival/Departure:

**Arrival:** Guests arriving individually are greeted at the front door by a bell person and will be given a claim check for their luggage. The guest may then call from their room to prompt delivery.

**Departure:** After 11:00 a.m. checkout, guests who wish to store luggage can do so at the Bell Desk located at Main Valet, gratuity appreciated.

**Group Arrival/Departure:** All group arrivals are subject to a mandatory baggage handling charge (porterage). This charge covers the handling of baggage both arrive to and departing from the hotel. In the event group requires baggage delivery in an auxiliary area aside from the designated hotel bag drop area, an additional fee of $0.50 both in and out will apply. Current porterage charge is $4.00 inbound and $4.00 outbound per person and subject to change.

**Auxiliary Luggage Holding Area:** An optional auxiliary luggage holding area can be facilitated by the Bell Desk team for $4.00 per claim check. CSM can determine an appropriate location. There are two payment options:

- **Client Paid:** Group can choose to cover this fee for attendees; charged for actual use with a minimum of 30% of in-house room block required.
  - **Example:** 1,000 rooms peak on departure day, so a minimum of 300 x $4.00 would be charged to the master account, up to the actual number of people using the service.

- **Guest Pays Own:** Guests have the option to pay on their own with cash or credit card, no minimum required.
  - In this instance, the cashier would be coordinated by the Bell Desk team.

Group cannot arrange/manage their own luggage storage room or hire an outside company to arrange/manage a luggage storage room. This must be a Bell Desk function.

Large helium-filled balloons may be used only if they are securely anchored. No helium balloons or blimps may be flown inside the building. Mylar balloons are not allowed anywhere on property. Helium gas cylinders must be secured in an upright position on safety stands with gauges protected from damage. No overnight storage of helium or compressed air cylinders in the building is allowed. Balloons cannot be released out of doors due to airport flight patterns in the area. A cleaning fee may apply should the balloons be left on property after the event. CHARITABLE EVENTS: Should Group wish to conduct a charitable event as part of their program, please ensure you reach out to your CSM/CM before confirming any details. Due to Nevada Revised Statutes under the oversight of the Nevada Gaming Control Board, there are strict policies determining how these types of events are defined and must be conducted. Prior to developing events, please ensure you advise your CSM/CM as we may need to get approvals from our compliance team before proceeding. Some types of charitable events that would require approvals would be silent auctions, raffles, bingo, gaming tournaments (this is not an all-inclusive list).

CHECK-IN/CHECKOUT: Check-in time is 3:00 p.m. and checkout is 11:00 a.m. If rooms are requested prior to check-in time, they will be accommodated based on availability at no additional charge. Any guest wishing to guarantee an early check-in will have the option to pay an early check-in fee at the time of booking based on availability. Departure dates will be confirmed upon check-in. Guests have the option to change their departure date at this time. Should a guest depart before their scheduled and confirmed departure date, we will charge for one additional night's room and tax. For example, if a guest checks out three (3) days early from their confirmed departure date, they will be charged for one (1) additional night (not all three nights). Luggage can be stored on a complimentary basis for guests who have checked out but are not yet departing the hotel.

CHILDCARE SERVICES: The State of Nevada does allow childcare services on property when strictly regulated. There are many regulations and stipulations that must be followed before this can be approved by the State. If you are considering having childcare services on property, please contact your CSM at least six (6) months in advance to initiate the approval process.

If direct billing is approved, a master account will be established.

At least 60 days prior to your program, your CSM will draft an “estimated charges” worksheet for you. Once complete, accounting will work with you for all required deposits as outlined in the contract or license agreement. They will also advise you of your credit approval status.

DAMAGE TO PROPERTY: Group shall be liable for any damage, normal wear and tear excluded, to the Function Space, or to any other real or personal property of Bellagio Hotel & Casino, caused by the act or omission of Group, its agents, directors, shareholders, employees, members, attendees, contractors, volunteers, or performers. Group will not, and shall not permit others to, drive nails, tacks, hooks, screws, or other items into any part of the Function Space, hotel equipment or property. Group will be charged by hotel for any damages incurred by their exhibitors or exposition company. Group shall, always, conduct its activities in a safe and careful manner, with full regard to public safety, and will observe and abide by all applicable laws (including the Americans with Disabilities Act), ordinances, rules, regulations and requests by duly authorized governmental agencies having jurisdiction, as well as those of the Board of Fire Underwriters or any similar body and Bellagio Hotel & Casino.

DRONES: There are very limited scenarios where drones will be allowed on property. This policy may be considered; however, prior review and approval (in writing) must be obtained from Bellagio Risk Management Director and Convention Senior Leadership team. Any such requests must be made at least 60 days prior to any event to allow for sufficient review time. This policy also applies to any unmanned vehicles.
ELEVATOR ACCESS (GUEST ROOM FLOORS): Our elevators are restricted to registered guest access only. Guest room keys only grant access to the floor of that specific guest room. Guests not staying at Bellagio do not have access to any guest room floors. Therefore, if you decide to have a hospitality event in your guest room/suite, you will need to arrange elevator access for your guests attending your event. Below are your options.

- If no food and beverage is ordered through In-Suite Catering: The host of the event must come to lobby and escort their guests up to their suite.
- If food and beverage is ordered through In-Suite Catering: In-Suite Catering can arrange for an elevator attendant for the event to give their guests access. There is a cost of $85.00 per hour for this service.

Any damages caused by Meeting Group, Meeting Group's attendees, and Meeting Group's exhibitor and/or exposition company will be the responsibility of the Meeting Group.
EXHIBIT/TRADE SHOW: 30 days prior to a show, your CSM will contact your exposition company to review and confirm the move-in and move-out times and dates.

Prior to exhibit move-ins, a representative of the Meeting Group, your exposition company and the Facility Supervisor will walk the area for an official inspection.

At this time, cleanliness and state of repair will be noted, and any cleaning or repairs needed will be scheduled. This is for all areas the Meeting Group will be utilizing (e.g., parking lot, driveways, loading dock, service hallways, foyers, and actual exhibit area [including apron of permanent stage], etc.).

It is your exposition company's responsibility to designate the ramp control person to control the exhibit traffic flow around the Hotel move-in area.

At the conclusion of each show move-out, a representative from the Meeting Group, your exposition company and the Facility Supervisor will walk the areas of Hotel, both inside and out, for a final inspection.

Mutually agreed upon damages caused by the Meeting Group or their exposition company will be recorded and submitted to your CSM, who will, in turn, coordinate the repairs with the Engineering Department. All labor and materials will be billed to the Meeting Group at cost and will be with the approval of the Meeting Group and Hotel. Full payment is required within 30 days of billing date.

The Meeting Group's exposition company will be responsible for leaving all areas of the Hotel that the exposition company is responsible for, in the same condition, less normal wear and tear that they were in prior to move-in.

The Meeting Group’s exposition company is required to cover the doorway entries with carpet and any other approved coverings deemed appropriate by the Convention Services Department.

With reference to forklift usage, the following procedures must be adhered to:

- A designated forklift must be assigned for both indoor movements and outdoor movements. Single forklift is not allowed to run both in and out of the hotel ballrooms.
- A designated drop point will be located just inside the freight door. The drop point is required to be covered with carpet and 1/4” to 1/2” plywood. The size of the drop point should be in proportion to the size of the show.

- All forklifts must be equipped with a fire extinguisher.
- No gas/diesel forklifts will be operated in any convention areas. Electric and propane forklifts only.
- Two-way carpet tape is not permitted. Only a low adhesive tape is permitted on ballroom carpets.

Prior to the show opening, and after all booths are set, a representative of the Meeting Group, your CSM, the Hotel Safety Manager and the exhibition company representative or his/her representative will walk the floor with the Fire Marshal-approved floor plan. The Meeting Group will correct any violation prior to the show opening.

  - Rigid Pick Points rated at 2,000 pounds.

At no time during the show will the exposition company be allowed to store freight and/or equipment, either their own or that of the exhibiting company, in any public area, service area, or the back dock of Hotel. This includes the outside perimeter of Hotel, as well as, the parking lot. No commercial vehicles may be parked overnight in the convention load-in area.

With approval from your CSM, the exposition company may store minimal equipment necessary to open the exhibit hall in a timely fashion (i.e., table skirts, wastebaskets, smoking stands, etc.). All equipment must be stored in an orderly fashion, behind the Decorator Exhibitor Services Desk, in accordance with fire code and causing no damage to the walls, fixtures, or other areas of Hotel.

All freight, equipment and trailers must be taken off property for the duration of the show.

A Hotel representative will be assigned to monitor the actual move-in and move-out. This person will monitor such areas as the loading dock, service corridors and the exposition ballroom.

A NO-SMOKING policy will be in effect during all setup and tear down times. It is the responsibility of the exposition company to enforce this policy with their personnel.
All production companies are required to fully remove all post-show waste material. If disposing on property, they must pre-arrange the drop-off of a dumpster if amount of materials exceeds on-site capacities. Hotel will not permit material to be left on the hotel premises. A Convention Services representative will indicate locations for dumpster placement. For exhibit halls all cleaning and trash removal is exclusive to Bellagio Exposition Services. They will schedule all dumpsters needed for pre and post show waste removal. The cost for dumpsters will be an additional cost to the client's full cleaning estimate. Any trash left behind or “dumped” in an unauthorized location will be removed by Bellagio Exposition Services and appropriate costs charged to the client accordingly.

Meeting Group's exposition company will provide an adequate number of trash receptacles throughout the exhibit area during setup.

Meeting Group's exposition company must contain their employee/labor forces to the loading dock and exhibit areas. Back-of-the-house restrooms should also be utilized. These employees are not permitted to use public restrooms or other public facilities or the Hotel staff dining room.

Hotel will setup a water station and smoking area, with ashtrays, on the back dock during setup and tear-down times. Any food and beverage consumption outside this designated area is not permitted.

A Fire Marshal-approved copy must be forwarded to your CSM no later than three (3) weeks prior to the exhibit move-in.

All required fire exits may not be blocked or used for moving exhibit material in or out, or used as storage areas. All exits must be kept clean and unobstructed.

Aisles and exits as designated on approved show plans shall be kept clean, clear and free of obstructions. Booth construction shall be substantial and fixed in position for the duration of the show. Easels, signs, etc. shall not be placed beyond booth areas into the aisles.

**ALL MATERIAL MUST BE ACCOMPANIED BY AN OFFICIAL FLAME RETARDANT CERTIFICATE AND PROVIDED TO THE DIRECTOR OF CONVENTION SERVICES PRIOR TO MOVE-IN.**

If substitutions of original materials must be made, such labor and materials as are required to bring the work up to code standard shall be provided by Meeting Group at no additional expense to Hotel. In the event Meeting Group is unable to comply with these requirements, said convention shall be cancelled by Hotel without liability to Hotel.

During setup and move-out of trade shows, Hotel requires establishment and maintenance of designated “No Freight” aisles. These aisles must be clear at all times.

Fire extinguishers, fire hose cabinets and sprinkler closets must be visible and accessible at all times. Fire extinguishers may be blocked only if approved by the Fire Marshal and temporary extinguishers are supplied in the same area and are clearly visible.

All internal combustion engine driven vehicles or equipment displayed in the hall must have fuel filler caps locked or taped, batteries disconnected, and fuel tanks almost empty. A non-flammable drop cloth must be placed under the engine.

Anytime pyrotechnics or hazers are used, the Fire Safety System will have to be disabled or “put into test mode”. This process will require several personnel to be dedicated to watching for potential fire or smoke in the area in which the Fire Safety System is disabled. Charges will apply for fire watch during rehearsals and show. In the case of Pyrotechnics/Flame Effects, a permit is required from the CCFD. Please submit your pyrotechnic/hazing schedules to your CSM, 30 days prior to your event. Please note we cannot allow pyrotechnic displays outdoors if the wind speeds are 10 mph or greater. A copy of the operator's certificate must be on file prior to the show.

Combustible materials must not be displayed at any time.

Fire Strobes are in each of our meeting rooms, public spaces and exhibit halls. In accordance with Fire Code, these strobes can NEVER be blocked without strobe extensions.

In addition to the exhibit floor plans noted above, Fire Marshal-approved plans are also required for all meetings or catered events of 300 persons or more. Approval of the plans will be charged by the Clark County Fire Department (See Meeting Planners Guide).
